Our Focus

People

We attract, develop and retain expert, highly skilled and well-resourced professionals. We are a preferred employer and an industry leader.

Partnerships

We develop and maintain partnerships and effective networks with key providers, stakeholders and communities to enhance whanau and individual wellbeing.

Sustainability

We have the ability to innovate, be creative and responsive to changing needs. We are enhancing our market presence and increasing our influence within the family harm sector.

Whanau Wellbeing

We develop and enhance services and partnerships that empower whanau to build resilience and sustain positive change.

Future

We are financially stable and enable innovation and growth.
